Education

Velammal Engineering College

Bachelor Of Technology Degree
CGPA: 8.01

Chennai
2018–2022

Experience

Wolters Kluwer Elm Solution

Associate Software Engineer

Chennai
2022-Present

- A dedicated B. Tech graduate with one year of hands-on experience in Software Development. Proficient in developing websites and adept in HTML 5, CSS3, Bootstrap, JSON, and JavaScript. Possesses comprehensive knowledge of databases and SQL queries.
- Proficient in creating JUnit test cases for Spring Boot projects and ensuring comprehensive code coverage from the ground up using Core Java, JUnit 5, and Mockito.
- Implemented automation scripts and established a robust testing framework utilizing Chai, Mocha, and JavaScript to effectively test Node APIs. This initiative led to an impressive reduction of over 80% in pre-deployment bugs.
- Engaged extensively with the Postman application to meticulously verify API requests and responses, ensuring accuracy and functionality through manual inspection.

Aspire Systems

Internship Trainee

Chennai
Jan2022 – May2022

- Designed and developed a website employing HTML5, CSS3, and JavaScript while concurrently managing the Java backend, notably contributing to the development of an Online Shopping Management System.
- Hands on experience MySQL Workbench Used for Database Storage
